# LUXURY INVESTMENT AND PROJECTS ISLAND TERRITORY

---

Invest in property, we manage your assets, plan and execute building and new construction projects for industrial, commercial and housing purposes.

---

## Project Manager

Planning, strategy definition and supervision of new construction projects or complete refurbishments.

## Building Manager

Budget control and monitoring of project development, safety plans and documentation.

## Commitment

We guarantee the functionality of our installation systems and care for the environment.

## Rest areas, dining rooms, bathrooms, outdoor areas...

At **LUXINPRO**, we carry out the **integral design** with the latest trends in: rest areas, bedrooms, dining rooms, bathrooms, indoor and outdoor furniture, swimming pools, gardens, indoor and outdoor carpentry, kitchens, taps, windows, garage doors, awnings, blinds and lighting.

## SMART HOME and Renewable Energies

We equip properties, install **Altherma** air-conditioning systems, **Aerothermal** heating systems, solar panels and sustainable energy supply systems to promote self-consumption and charging points for **electric vehicles**.
